

Saint Project Rubric 9th Grade

When you are baptized, the priest says the name chosen for you by your parents. However, when you are confirmed, you get to choose a "Confirmation Saint." This saint is a special patron saint which you have chosen to be a special protector and guardian over your life. This is the saint in which you complete this project.

This project will be completed on a poster board displaying or communicating the following information about chosen Saint:

- Name and place they are from
- Birth & death day
- Patronage
- Feast Day
- 5-10 interesting facts
- A quote from your Saint or a Bible verse that reminds you of them
- What gifts from the Holy Spirit did they show throughout their life?
- Include a typed paragraph posted somewhere on your poster board on why you chose this Saint.

Use your creativity to fill your board:

- Be sure to use many photos where you can!
- You can print photos off the internet or draw pictures.
- You can use poster borders, glitter, etc.
- Apart from the typed 'why you chose this Saint', you can type other necessary saint info or write it.
- You can use maps, bubble letters, designs, etc.
- There is no wrong way to creatively communicate information about your Saint!

Completed Saint Projects will be displayed for fellow parishioners to view during a Coffee/Donut Sunday in the parish hall. Due Date TBD.
